

“AI is the science of making machines do things that would require intelligence if done by men.”

- Marvin Minsky

"Artificial intelligence is a tool not a threat."

-Rodney Brooks

“AI can enable humans to focus on part of their role that add most value.”

- Dr John Lambert

The background is an abstract composition of various colors including shades of blue, purple, red, and white. It features numerous thin, flowing lines and larger, more solid shapes that create a sense of movement and depth. The overall effect is reminiscent of a complex, organic structure or perhaps a stylized representation of a network or a celestial body.

***"Intelligence is the ability to adapt
to change."***

- Stephen Hawking
