Controlled Health Organisation (VACCHO)**

**Highlighting where we
are making progress**

Darren Clinch

Senior Business Intelligence Analyst
Department of Health and
Human Services (Victoria)

Visualising Data

Workshop – Key Questions

- Describe the three main challenges in delivering the change that we need in our sector
- How can digital and data deliver us value to address those challenges and improve community and health outcomes?
- If there was one thing that would make a difference – what would it be?

30 Minutes
